Bio

Pretty With The Lights Out is horrorpunk with a dash of metal, from the mind of Nate Laff (yep, pronounced like laugh). Monster movies, drive-in slashers, Halloween and terrible puns. After getting its start in Indianapolis, the band is re-igniting the flame in Phoenix, AZ.

Press

"Pretty With the Lights Out come screaming out of the darkness."

[Grave Noise](#) · 9/10

"Punk horror from the top shelf: hard, catchy and really great!"

[Snoozecontrol](#)

"There is a perfect flow between tracks."
